

GET THESE
HEADS IN
THE GAME!

MAKE YOUR OWN mini High School Musical!

Follow these steps and let the show begin!

STEP ONE Cut the side panel off the board and keep it safe (you'll need the HSM heads for later!)

STEP TWO Cut along the two dotted lines running up sides A and B, but don't cut any further! Then cut along the lines under A and B to remove the white boxes.

STEP THREE Cut out box C (you'll need this gap for your performers!)

STEP FOUR Fold the stage area upwards, then fold along each white line to bend the curtains forwards. Then fold up flaps A and B and glue or tape them underneath the stage floor, which will keep the curtains at the side of the stage.

STEP FIVE Carefully cut out the character heads and stick them onto pencils.

STEP SIX Pop your pencils through the gap in the stage floor so just the heads appear in the spotlight.

STEP SEVEN Write your own mini musical or use the HSM soundtrack to perform to!

PSSST!

Why not stick a pic of yourself or your friends on a pencil and join in the show?!

PSSST!

Invite people to watch your musical. Send out invites and stock up on popcorn!
