WORD WIZARD

Play these games and guarantee lots of laughs!

Starting up

Play these five wacky games, by cutting out the words on the other side of the card. Stick them in a bag or hat and give them a shuffle!

Game 1

THE name game

What to do:

Grab a handful of words from the bag but don't show anyone what you've got. Then pick a word each and take it in turns to act it out in front of your friends! If you pick a person, will your friends guess who you are?

Game 2

STORY STAR...

What to do:

First of all, flick to a Fill in the Blanks story in the magazine. Next, read down the page and when you find a space, take it in turns to randomly pick a word from the bag and use it to fill in the blank. Get ready for girlie giggles!

Game 4

PICK OF THE BUNCH

What to do:

Each pick 10 words out of the bag, then rearrange them to make up a silly sentence with the words you've chosen. The funniest, weirdest or most original sentence wins!

Game 3

COLOUR CHALLENGE

What to do:

Go round the circle and pick out two blue, yellow, pink, purple and green words each. Using only the words in your hand, try and make up a funny story - the wackier the better! Then take it in turns to read them out loud.

Game 5

SILLY SENTENCES

What to do:

Write a funny sentence on a piece of paper, leaving the last three words blank. Pass the paper to your left, pull three words out of the hat and use them to finish your mad sentences!
