Dream Girls

The stage school where dreams come true...

Sophie
She's a singing sensation, but she's also shy!

Taylor
This dancer's got all the right moves!

Kim
She's star of the stage and a determined diva!

Part 2: The rocking role!

Sophie has an idea to stop her friends arguing!

What are you saying?

Just be honest...

No, I'm not a good dancer... nowhere near as brill as Taylor.

Taylor you're a great dancer but lack confidence with acting.

Uh-huh. I'd love to have Kim's skills.

So teach each other what you're best at, then you can both audition on an equal level.

That sounds like a great idea. Let's get started!

Yes!

It's the day of the audition...

Taylor you so have to wear this necklace. It'll make you sparkle.

Keep still. I want to make you glam!

Good luck girls. I think you're both perfect for the role - and I'm so happy you've stopped arguing.

Later...

You were the best!

No, you were!

How did it go? Who got the part?

Neither of us! But we don't care, we still had fun.

I'd pick you both for the role of great mates.
