Part 1: Birthday blues!

Sophie
She's a singing sensation, but she's also shy!

Kim
She's star of the stage and a determined diva!

Taylor
This dancer's got all the right moves!

Kim is in for a surprise!

Hey, you know it's Kim's birthday tomorrow, don't you?

Yes, we should organise something for her!

Let's make her a nice card.

Great idea. We'll get a cool present, too!

Hey, Kim! You must be excited about your birthday?

No way. I'm not having a birthday this year!

Don't you want to do something special?

No! And don't think about springing any surprises on me!

Wow! What was that all about?

I don't know, but she's in a seriously bad mood.

She can't mean it, I bet she's just having a bad day.

Right! Who doesn't want a birthday?

All that glitz and glamour being centre of attention...

And those presents... Oops, where were we?

Well, she's our mate and we know her best!

And if we know her as well as we think we do...

A surprise party is bound to cheer her up!

There's only one thing for it.

So, a bit of party planning later...

Quick, she's coming! Let's hide!

What's all this?

Surprise!

I told you I didn't want a party, why didn't you listen?!

What?!

Huh?
