## Part 2: Birthday blues!

Last time on Dream Girls... Kim walked out of her own birthday party!

2 And in the gym...

Oh, no, I'm sorry. I didn't mean to upset you that much! Do you want to talk about it?

No, you wouldn't understand.

Try me! I'm not that bad, you know!

Well, it's my mum, she's away and can't make it home for my birthday!

Oh no, that must be making you sad!

But that's nothing! I was in hospital for my last birthday after I fell off the stage during a play.

Ouch! That must have hurt!

Yes, but the worst thing was, I was dressed as a wizard with a crazy big hat when I went to hospital!

But I've really upset my friends, even though they put on a party for me.

Come on, they'll forgive you. You were just feeling down!

I found an upset birthday girl in the hall!

Kim! Why did you run off like that?

We were so worried we'd done something wrong.

I'm so sorry girls! I was missing my mum and I didn't want to admit it!

Well next time, remember you can always talk to your friends!
